Short on height, but a down-to-earth person. Greetings, my name is Gisselle and I'm currently based in Milwaukee, Wisconsin. I have experience and enjoy working on advertising, motion graphics, and integrated design. I love to think, whether it's about where I'm going creatively with a project or what new foods I will try next. I'm experienced with Adobe Creative Cloud apps but more comfortable with Adobe Illustrator, Photoshop, and After Effects. I strive to help communicate with visuals. Like they say "communication is key".
